

# 2017 DCAN Data Dashboard

The 2017 DCAN data dashboard includes the most up-to-date college enrollment, remediation, persistence, graduation, and college credit accumulation data. At present, over 50 organizations have committed to participating, aligning their efforts, and sharing data to create a culture of shared accountability to achieve results in college access and success in Detroit.

The indicators below align with and are outlined on the DCAN Common Agenda.
